Dear Sir/Ma,

DOING BUSINESS & INVESTING IN UKRAINE

The above subject refers.

RAWOK International is a wholesale supplier of general merchandise, closeout, remnants, surplus stocks, return goods, bankruptcy products and stocklots. Whether branded Clothing, Electronic Goods, Equipment / Machines, Toys, Foods, Tools, Shoes, etc., we deal with it. We deliver to **Retail Organizations: Online Retailers, Individual Retail Outlets, Department Stores, Supermarket Chains, Discount Chains, Export Traders, Off-Price Shops, Webshops, DIY Stores, Hardware Stores, Mail Order Companies and many more.**

We work in partnership with **German, European, American & Asian Manufacturers of all kinds.** Throughout the past years, the RAWOK International has proven to be a reliable and serious partner as for our clients and suppliers. We are very much focused on expanding our sales activities in European & African countries. We are always looking for partners who can strengthen and improve our sales network.

However, we are interested in the Ukrainian Market, and would like to invest and doing business in Ukraine. We are seeking distributors or agents to distribute our products, and would like to establish contacts with Ukrainian Entrepreneurs. / the members of Ukrainian Chamber of Commerce and Industry. We therefore kindly ask for assistance of the chamber.

We would appreciate it, if our request for assistance is granted.

Further discussions with your office will be necessary for a better understanding.

Looking forward to having a constructive meeting with you.

Awaiting your reply.

Yours faithfully,

Olatunde Awokoya
Managing Director, CEO
